

Veterans Billing Agreement

I have presented authorization to the Student Account Office from the Department of Veterans Affairs (VA) to bill for the tuition and fees that I've listed below. I understand and agree to the following:

I am responsible for making payment at the time of registration for charges that are not authorized by my benefits. If the amount of benefits cannot be determined by Berkeley College at the time of registration, then as soon as the benefits amount is determined, Berkeley will notify me of the remaining balance that I am responsible for.

I will be responsible for providing timely information as requested by either Berkeley College or the Department of Veterans Affairs regarding this agreement. I will be personally responsible for any payments not paid by the Department of Veterans Affairs to Berkeley College- regardless of reason.

If Berkeley College does not receive payment from the VA by the end of the 4th week of the subsequent term to which this agreement applies, my account will be placed on hold and I will not be permitted to register or receive a diploma or transcript.

I understand that this agreement does not relieve me from any financial responsibilities to Berkeley College since I am ultimately responsible for my entire student account balance. Failure on the part of the VA to make payment will cause Berkeley College to take collection activity against me.

I understand that I must file an agreement with the Student Account Office at the time of registration for each term.
