

Associate in Applied Science Degree (A.A.S.) Health Sciences: Patient Care Technician Specialization

SAMPLE PROGRAM SEQUENCE

	Semester Credits
FIRST SEMESTER	
HEA1101 Foundations of Health Services.....	3
HEA2200 Medical Terminology.....	3
SCI1100 Anatomy and Physiology I.....	3
CIS1115 Computer Applications.....	3
ENG1105 Writing and Research	3
SECOND SEMESTER	
PCT1010 Foundations of Patient Care.....	6
MED1130 Medical Emergencies and Electrocardiography	3
MED1140 Specimen Collection and Procedures	3
SCI2100 Anatomy and Physiology II.....	3
THIRD SEMESTER	
PCT1320 Advanced Patient Care.....	3
PCT2320 Patient Care Practicum.....	3
PCT2700 Patient Care Capstone	3
SCI2228 Microbiology.....	3
Patient Care Technician Elective	3
FOURTH SEMESTER	
SOC2225 Introduction to Psychology.....	3
HEA2203 Ethical and Legal Aspects of Health Services.....	3
ENG2205 Writing Through Literature	3
Humanities Elective	3
Science Elective	3

60 SEMESTER CREDITS
REQUIRED FOR GRADUATION

PATIENT CARE TECHNICIAN ELECTIVES

PCT2310 Patient Care Communication	3
PCT2560 Home Health Aide.....	3

NOTE: Governing regulations may disqualify individuals from obtaining professional certification in this field based upon health or criminal records. Therefore, in addition to meeting the immunization requirements of Berkeley College and the State of New Jersey, students applying to the Health Sciences program must provide authorization for a criminal background check prior to registration and submit a physical assessment by a licensed medical professional prior to participating in clinical rotations. Students enrolled in the Patient Care Technician specialization are required to purchase their own malpractice insurance.

Extensive criminal background checks may be repeated after admission at the request of clinical facilities, and positive findings may prevent students from completing the clinical portion of the program, graduating, and participating in certification exams. Health requirements required for clinical courses are extensive and may total several hundred dollars. The costs of these health requirements are borne by the student.

The minimum passing grade required for a Patient Care Technician (PCT) course is a C. Any grade below a C is a failing grade. In order to pass a PCT course that consists of both didactic and clinical/laboratory portions, students must receive at least a C for the didactic portion of the course and a P for the clinical/laboratory portion. A failure in either the didactic or clinical/laboratory portion of a PCT course will result in a failing grade for the entire course. Therefore, only a PCT course in which students receive at least a C will satisfy the course requirements for the Patient Care Technician program.

To qualify for graduation, students enrolled in this specialization must pass all PCT courses with a minimum grade of C as well as participate in the Certified Patient Care Technician/Assistant (CPCT/A) certification examination. Although certification is not required to work in most states, employers prefer to hire certified Patient Care Technicians.

The A.A.S., Health Sciences - Patient Care Technician program also requires students to obtain specific supplies, the cost of which totals approximately \$845.00. Detailed, itemized information describing the required supplies and listing typical prices for each such item is available at BerkeleyStore.BerkeleyCollege.edu and/or BerkeleyCollege.edu/gainful-employment/aas_health_sciences_pct_statistics_sem.htm.

Any required traditional textbooks and/or some required supplies are included as part of the charge for tuition and fees and will be distributed to students. Please note, however, that students have the right to obtain traditional textbooks, and/or certain required items, from other sources. Students who demonstrate that they have obtained required item(s) from another source may return the items distributed by the College and receive a refund of the amount charged by the College for the specific item.

Under certain circumstances the need to take developmental College Skills courses may lengthen the time required to complete the student's program, and may result in increased costs to a student.

Not all programs and courses are offered at all campuses. You may be required to take some courses at another campus or online.

For more information about Berkeley College graduation rates, the median debt of students who completed programs, and other important disclosures, please visit BerkeleyCollege.edu/gainful-employment/aas_health_sciences_pct_statistics_sem.htm.
