

# Associate in Applied Science Degree (A.A.S.) Surgical Technology

## SAMPLE PROGRAM SEQUENCE

|   | Qtr. hrs. credit |  | Qtr. hrs. credit |
|---|------------------|--|------------------|
| <b>FIRST QUARTER</b>                              |                  | <b>FOURTH QUARTER</b>                        |                  |
| HEA200 Medical Terminology I .....                | 4                | SUR120 Surgical Procedures I .....           | 3                |
| SCI223 Anatomy and Physiology I .....             | 4                | SUR125 Surgical Procedures Laboratory I..... | 3                |
| SCI225 Anatomy and Physiology Laboratory I .....  | 1                | SCI242 Bioethics and Medical Law .....       | 4                |
| SCI228 Microbiology.....                          | 4                | ENG115 Public Speaking .....                 | 4                |
| ENG105 Expository Writing.....                    | 4                | BUS226 Career Management Seminar .....       | 2                |
| <b>SECOND QUARTER</b>                             |                  | <b>FIFTH QUARTER</b>                         |                  |
| SUR100 Fundamentals of Surgical Technology .....  | 3                | SUR220 Surgical Procedures II .....          | 3                |
| HEA201 Medical Terminology II .....               | 4                | SUR280 Clinical Practicum I .....            | 5                |
| SCI224 Anatomy and Physiology II .....            | 4                | SUR281 Clinical Seminar I.....               | 1                |
| SCI226 Anatomy and Physiology Laboratory II ..... | 1                | Liberal Arts and Sciences Elective.....      | 3                |
| ENG106 Writing Through Literature.....            | 4                | <b>SIXTH QUARTER</b>                         |                  |
| <b>THIRD QUARTER</b>                              |                  | SUR290 Clinical Practicum II.....            | 5                |
| SUR110 Surgical Instrumentation .....             | 2                | SUR291 Clinical Seminar II.....              | 1                |
| SUR112 Surgical Techniques .....                  | 3                | SUR292 Surgical Technologist Capstone.....   | 4                |
| SUR115 Surgical Techniques Laboratory .....       | 3                | SOC225 Introduction to Psychology .....      | 4                |
| SUR251 Pharmacology and Anesthesiology.....       | 2                | <b>90 QUARTER CREDIT HOURS</b>               |                  |
| SCI234 Pathophysiology.....                       | 2                | <b>REQUIRED FOR GRADUATION</b>               |                  |
| Liberal Arts and Sciences Elective.....           | 3                |  |                  |

To qualify for graduation, students must pass all SUR courses, as well as Anatomy and Physiology I and II, Anatomy and Physiology I and II Lab, Microbiology, and Pathophysiology, with a minimum grade of C+, as well as participate in the CST National Certification Exam administered by the National Board of Surgical Technology and Surgical Assisting (NBSTSA).

Not all programs and courses are offered at all locations. You may be required to take some courses at another location or online.
