NOTE: To qualify for graduation, students must participate in the Certified Professional Biller (CPB) examination administered by AAPC or the Certified Billing and Coding Specialist (CBCS) examination administered by the National Healthcareer Association (NHA). Although certification is not required to work in most states, employers prefer to hire certified Medical Insurance, Billing, and Coding graduates.

Any required traditional textbooks and/or some required supplies are included as part of the charge for tuition and fees and will be distributed to students. Please note, however, that students have the right to obtain traditional textbooks, and/or certain required items, from other sources. Students who demonstrate that they have obtained required item(s) from another source may return the items distributed by the College and receive a refund of the amount charged by the College for the specific item.

30 SEMESTER CREDITS
REQUIRED FOR GRADUATION

Under certain circumstances the need to take developmental College Skills courses may lengthen the time required to complete the student's program, and may result in increased costs to a student.

Not all programs and courses are offered at all campuses. You may be required to take some courses at another campus or online.
