Berkeley College's programs of study, multicultural student body, multiple locations, and overseas partnerships offer international students a number of exciting opportunities to experience an American education.

- 1 **Convenience** – With locations in New York and New Jersey plus online, the College is proud to serve the special needs of international students with an intensive curriculum.
- 1 **International Student Department** - Berkeley's International Student Department provides help with visa procedures, housing information, orientation to college life, and adjusting to educational practices and life in the United States.
- 1 **Programs of Study** – International students may enroll in any of the programs of study at Berkeley College. Many of the courses can also be taken through Berkeley College Online®. (Please note, however, that federal regulations limit the number of online classes per quarter for international students on F-1 student visas.
