Programs of Study

DEGREES OFFERED

Berkeley College offers undergraduate programs of study on a year-round quarter system that may save students time as they pursue a Certificate program or one of the following degrees:

- Associate in Applied Science (A.A.S.)
- Associate in Science (A.S.)
- Bachelor of Business Administration (B.B.A.)
- Bachelor of Fine Arts (B.F.A.)
- Bachelor of Science (B.S.)

The majority of the College’s academic programs are available in day, evening, and weekend sessions through Berkeley’s various locations and online. It is important to note, however, that not all programs are offered at every location and not all courses are offered every term or at every location. Furthermore, scheduled course offerings may be canceled at the discretion of the College. Students enrolled in certain programs may therefore need to complete their studies at an alternative Berkeley location or online. For current information about course schedules, please go to BerkeleyCollege.edu/Academics/CourseSchedules.htm.
