How to Apply

Each year, aid applicants must submit a Free Application for Federal Student Aid (FAFSA). This application should be submitted to the federal processor online at fafsa.ed.gov. The Financial Aid Administrators are available to help students with the application process. The Financial Aid Office may request additional documentation to support the student's request for financial assistance, including signed copies of federal and state income tax returns. The student's financial aid package cannot be finalized until the Financial Aid Office has received all requested documentation. State grant recipients may also be required to submit additional documentation directly to the state agency administering the grant. Renewal of financial aid is not automatic. Recipients are required to reapply each year by the announced deadline.

The College recommends that all applicants and their spouses and/or parents process tax returns electronically and as early as possible. Doing so will enable the student/spouse and/or parent to use the IRS Data Retrieval Tool, which can make the application process easier, faster, and more accurate, facilitating earlier notification of awards.
