Financial Services

Help others invest in a better future.

The Financial Services program at Berkeley College is designed to prepare students for a range of career opportunities. After completing our program, students will be able to choose a career path, which will allow them to become Certified Financial Planners (CFP), or serve in various professional capacities, such as:

- 1 Insurance
- 1 Estate and retirement planning
- 1 Investment portfolio planning
- 1 Other fields related to finance

Participation in student chapters of professional associations, student clubs, and alumni interaction can help students make important industry connections.

Benefit from:

- 1 A solid business and technology core curriculum with an emphasis on financial planning and exchange
- 1 Hands-on learning from instructors chosen for academic excellence as well as relevant professional experience
- 1 Baccalaureate programs that prepare students for the Certified Financial Planning Examination offered by the CFP Board of Standards, Inc.™
- 1 Insights into investment and securities management
- 1 Hands-on experience with software used by financial service professionals
- 1 Valuable, practical experience through program-related, faculty-monitored internships or job-related assignments
- 1 A seamless transition between Associate's and Bachelor's degrees
