Clifton*

600 Getty Avenue, Clifton, NJ

In a modern, three-story building in Passaic County, the Clifton location features many traditional academic facilities and resources. In addition, there are fully equipped nursing and patient care laboratories, simulated operating rooms, and medical laboratories, which replicate current working healthcare environments. The Clifton location also houses classrooms, computer rooms, a library, and a resource center. The location is easily accessible via Interstate 80, Route 46, and the Garden State Parkway. A number of New Jersey Transit bus stops are within walking distance. The facility has a parking lot and restaurants, and specialty stores are located within a short distance.

*As of the spring 2016 quarter, the Clifton campus will be closed. All Health Studies programs based in Clifton will be relocated to the Woodland Park campus, approximately three miles from Clifton.
