

Bachelor of Science Degree (B.S.) National Security – Concentration in Information Security

Not all programs are offered for completion at each campus or through Berkeley College Online®. Please review the academic program pages (BerkeleyCollege.edu/academics.htm) for information on where each program is offered. Additionally, all students may be required to take some courses at another campus or online. The Internship courses are only offered online.

120 SEMESTER CREDITS REQUIRED FOR GRADUATION

NOTE: A major concentration must be declared by the beginning of the fifth semester. Nine credits of Major Concentration Courses must be at the 3000/4000 level. 15 credits of Liberal Arts Electives must be at the 3000/4000 level. Eligibility for some internships required to obtain a Berkeley College degree and employment opportunities in fields related to this program may require candidates to meet specific health requirements or pass criminal background checks prescribed by law. Applicants for whom such requirements may be matters of concern are strongly advised to contact an Admissions Associate prior to enrolling in this program. Note that law enforcement jobs typically require the candidate to be physically and mentally fit and have a valid driver's license, a clean driving record, no felony criminal record, no domestic violence charges (felony or misdemeanor), no loan/credit card defaults, and the ability to be licensed (via your agency or department) to carry a firearm. A selection process involving qualifying examination and/or supplementary training may also be required. Job requirements for non-sworn personnel in criminal justice and related agencies vary.
