

Medical Insurance, Billing, and Coding Certificate

Not all programs are offered for completion at each campus or through Berkeley College Online®. Please review the academic program pages (BerkeleyCollege.edu/academics.htm) for information on where each program is offered. Additionally, all students may be required to take some courses at another campus or online.

HEA2293	Internship.....	3
MBC2260	Medical Insurance, Billing, and Coding Seminar.....	2
HEA2203	Ethical and Legal Aspects of Health Services.....	3

33 SEMESTER CREDITS
REQUIRED FOR GRADUATION

To qualify for graduation, students must participate in the Certified Professional Biller examination (CPB) through the AAPC or the Certified Billing and Coding Specialist examination (CBCS) through the National Healthcareer Association (NHA) — both are nationally accepted standards of achievement in the administrative part of the field. Although certification is not required to work in most states, employers may require the CPB or CBCS credential or prefer to hire candidates who have obtained the CPB or CBCS credential.

For additional information regarding this program, please visit <https://berkeleycollege.edu/academics/undergraduate-degrees/medical-insurance-billing-coding/index.html>

Under certain circumstances the need to take developmental College Skills courses may lengthen the time required to complete the student's program, and may result in increased costs to a student.

For important information about the educational debt, earnings, and completion rates of students who attended this program please visit: BerkeleyCollege.edu/gainful-employment/medical_insurance_billing_and_coding_certificate_nj_statistics_sem.htm.
