GRADUATE to a better future
AN UNWAVERING FOCUS ON YOUR SUCCESS

Berkeley College has focused on preparing students like you for successful careers for more than 87 years. During that time, our programs have evolved significantly to help students meet the changing needs of the business and professional worlds. The Berkeley educational experience remains special. Everything we do is designed to assist students in achieving career success.

Why Berkeley?

- Programs and curricula are developed with input from industry experts to prepare students for the professional world.
- Comprehensive support services and resources are available at all campuses and online.
- Small classes, personal attention: With an 17:1** student-to-faculty ratio, students can receive more personalized attention from professors.
- Flexible scheduling: Day, evening/weekend, and online courses provide full-time and part-time students the maximum in flexibility.

Berkeley’s commitment to its students extends beyond the classroom to support their career development during and after college. The Career Services Department assists students in identifying and pursuing career opportunities. Every graduate also has access to free lifetime career assistance* from Berkeley.

- On-site or online: Berkeley’s multiple campuses offer you the opportunity to take classes at numerous convenient New York and New Jersey locations, and Berkeley College Online® lets you learn on your own time.
- Activities and clubs: Berkeley provides a wide range of extracurricular activities that include attending ethnic, identity-based, and multicultural events, participating in athletics and clubs, and visiting museums and sports/concert venues in the area.

Berkeley College takes pride in the success of its students.
Year after year, the list of companies that hire Berkeley students reads like a corporate “Who’s Who.” The professional world continues to demonstrate its trust in Berkeley’s high educational standards and the expertise of its graduates. To help you on your path to a successful career, Berkeley College provides:

**Internships and Clinical Practicums**
On-the-job internships, clinical practicums, or job-related assignments are integral parts of each curriculum. The Career Services Department assists in placing students in program-related positions that provide valuable, real-world experience as students earn academic credits.

**Career Counseling by a Specialist in Each Field of Study**
Berkeley has a staff of more than 30 Career Services professionals who collectively specialize in each field of study and actively pursue job opportunities for every student. The size of the Career Services staff ensures that you will receive individualized counseling and assistance.

**Resume Planning**
Your resume will be one of the most important tools in helping you begin your professional career. You will learn what your resume should (and shouldn’t) include and how to present the information most effectively.

**Interview Scheduling**
Career Services staff members distribute student resumes to employers and schedule convenient interview times.

**Coaching and Interviewing Strategies**
You don’t get a second chance to make a first impression. Career Services will assist you with issues such as what to wear, what questions may be asked, how to handle nerves, and more to make sure that you are prepared for a successful interview. The importance of social media networking, online reputation management, and LinkedIn are also addressed.

**Lifetime Career Assistance***
Our commitment to students doesn’t end at graduation. Free career assistance is available to Berkeley graduates throughout their lives.

*While the College is in operation.
Berkeley faculty members are chosen for their excellent academic credentials and relevant professional experience. Equally important, however, is their passion for teaching and their commitment to providing students with close, individual attention. At Berkeley, professors and students truly get to know each other through personal dialogue and interaction.

A Berkeley College education involves learning that takes place both in and out of the classroom. In addition to regularly scheduled guest speakers, exceptional opportunities for educational excursions exist within just a few miles of each Berkeley campus. Classes visit important destinations such as the United Nations, the New York Stock Exchange, fashion showrooms and merchandising centers, and other program-related facilities. Frequent cultural, social, and recreational trips also contribute to a well-rounded educational experience.

Diversity and Multicultural Activities

Making the most of Berkeley's opportunities

The diversity of the student body at Berkeley College enhances the educational experience and contributes to the cultural enrichment of the community. It also helps prepare students to enter the global business community with a better understanding of the similarities and differences among cultures. Berkeley College sponsors many ethnic, identity-based, and multicultural events to promote this understanding and to help students form relationships that can last far beyond their college years.
Athletics and Recreation

Fun, fitness, and fierce competition

Intercollegiate athletics plays an important part in college life. At Berkeley College, men’s and women’s intercollegiate teams compete in soccer, basketball, tennis, and cross-country. Berkeley College is a member of the United States Collegiate Athletic Association (USCAA). The New York campuses are members of the Hudson Valley Intercollegiate Athletic Conference (HVIAC).

Online Opportunities

Stay connected...even when you’re far away

Students of Berkeley College Online® enjoy many of the same extracurricular opportunities as students who study at Berkeley’s on-site locations. Online students have the option of participating in all on-site and online activities, programs, events, and clubs. Online students can also volunteer to become a peer mentor for new online students, assisting them with their transition into the online community.

National publications have recently honored Berkeley College for its outstanding programs. Berkeley College Online® is one of the first college or university online programs worldwide to be awarded Quality Standards certification by the United States Distance Learning Association (USDLA), placing Berkeley among an elite group of institutions recognized for excellence in distance learning. In addition, U.S. News & World Report has lauded Berkeley College as one of America’s “Best Online Colleges” for Bachelor’s degrees.
“I like the fact that my professors at Berkeley are experienced in the fields in which they teach. They are able to share that real world knowledge with us in the classroom through discussions and case studies. It is much better than just teaching from a textbook.”
A friendly community spirit and an environment that fosters a constant exchange of ideas distinguish the resident student experience at Berkeley College.

**White Plains**
Residence facilities are available in Cottage Place and Sussex House. Cottage Place is a modern, six-story building adjacent to the White Plains campus—a short walk from classes, the library, the student center, and numerous activities. The facility features studio apartments with kitchenettes, along with two- and three-bedroom apartments with full kitchens and living rooms.

Sussex House, our newest residence hall, is a one-floor modern and spacious student residence located on the first floor of 99 Church Street. It is comprised of studio and two-bedroom apartments. All studio apartments, designed for three people, have the luxury of a full kitchen and one bathroom. The two-bedroom apartments, designed to comfortably fit up to six people, all have full kitchens, living rooms, and two bathrooms. Every housing option provides laundry facilities and on-site security.

Resources and Support Services
As an institution that specializes in delivering a strong education, Berkeley College understands what it takes for you to compete in today’s professional environment. To ensure that graduates have the skills and knowledge needed to achieve their goals, the College provides students with access to a range of valuable resources and support services.

Excellent Academic Programs
Each program of study is developed to ensure that the curriculum and skills properly prepare graduates for today’s workplace. Programs are also evaluated and updated regularly in accordance with industry trends.

Honors Program
The Berkeley College Honors Program is a selective interdisciplinary program that gives high-achieving students the opportunity to study program-related topics in greater depth than is possible in the regular degree programs.

The Center for Academic Success
Tutoring, workshops, and numerous on-site and online support resources are available through the Center for Academic Success. Students have access to both peer and professional tutors, who are available during the day, evenings, and weekends.

Jumpstart
The Jumpstart Program is an optional program for students who have been accepted to Berkeley, but need to develop their reading, writing, and math skills. The program, which is available every term, is designed to allow high school seniors and adult students to meet their developmental reading, writing, and math requirements, at no additional cost, in the term prior to their matriculation at Berkeley.
High school students interested in exploring careers in Fashion, Criminal Justice, Legal Studies, Healthcare, Business Leadership, Interior Design, or Graphic Design may enroll in workshops at Berkeley campuses in New York or New Jersey. These two-day workshops are open to high school juniors and seniors and include a combination of field trips and hands-on classroom projects under the guidance of a Berkeley College professor.

**Business**
This workshop will give you insight into what’s involved in managing a business project and staff. You’ll learn about teamwork and leadership from business professionals, both in class and through informative field trips.

**Fashion**
From buying to merchandising, this workshop will give you an overview of the many careers in the fascinating business of fashion. Learn from industry-trained faculty, guest speakers, and visits to leading fashion companies.

**Graphic Design (NJ only)**
Explore how graphic designers use various methods to construct and combine words, symbols, and images to create a visual message. An on-site visit with graphic design professionals is a great opportunity for you to get a personal overview of this exciting career.

**Healthcare (NJ only)**
Examine the different roles and skills involved in healthcare, one of today’s most in-demand professions. From instructors with professional experience and an on-site visit, you will learn about the training needed to be successful in this industry.

**Interior Design (NJ only)**
Highlights of this workshop include a hands-on design project and field trips to design showrooms. Experienced interior design professionals will discuss design fundamentals, daily operations, and a wide range of career opportunities.

**Criminal Justice/Legal Studies**
Investigate careers in criminal justice and legal studies. If you have the desire to combat crime and have a passion for justice, this workshop will give you an opportunity to learn from accomplished instructors and prominent guest speakers. There will also be tours of a variety of facilities and related offices.
