REQUIRED FOR GRADUATION

NOTE: Students who intend to continue into the Bachelor's degree program and take the CPA exam in New Jersey should select free electives from the Liberal Arts and Sciences courses.

Accounting majors must achieve a minimum of a C average in Financial Accounting I and Financial Accounting II in order to enroll in Intermediate Accounting I.

Under certain circumstances the need to take developmental College Skills courses may lengthen the time required to complete the student's program, and may result in increased costs to a student.
