

# Associate in Applied Science Degree (A.A.S.) Health Sciences: Patient Care Technician Specialization

Not all programs are offered for completion at each campus or through Berkeley College Online®. Please review the academic program pages ([BerkeleyCollege.edu/academics.htm](http://BerkeleyCollege.edu/academics.htm)) for information on where each program is offered. Additionally, all students may be required to take some courses at another campus or online. The Career Development and Internship courses are only offered online.

## SAMPLE PROGRAM SEQUENCE

		Semester Credits
<b>FIRST SEMESTER</b>		
HEA1101	Foundations of Health Services.....	3
HEA2200	Medical Terminology.....	3
SCI1100	Anatomy and Physiology I.....	3
CIS1115	Computer Applications.....	3
ENG1105	Writing and Research .....	3
<b>SECOND SEMESTER</b>		
PCT1010	Foundations of Patient Care.....	6
MED1130	Medical Emergencies and Electrocardiography .....	3
MED1140	Specimen Collection and Procedures .....	3
SCI2100	Anatomy and Physiology II.....	3
<b>THIRD SEMESTER</b>		
PCT1320	Advanced Patient Care.....	3
PCT2310	Patient Care Communication .....	3
PCT2320	Patient Care Practicum.....	3
PCT2700	Patient Care Capstone .....	3
SCI2228	Microbiology.....	3
<b>FOURTH SEMESTER</b>		
SOC2225	Introduction to Psychology.....	3
HEA2203	Ethical and Legal Aspects of Health Services.....	3
ENG2205	Writing Through Literature .....	3
	Humanities Elective .....	3
	Science Elective .....	3

### 60 SEMESTER CREDITS REQUIRED FOR GRADUATION

NOTE: Governing regulations may disqualify individuals from obtaining professional certification in this field based upon health or criminal records. Therefore, in addition to meeting the immunization requirements of Berkeley College and the State of New Jersey, students applying to the Health Sciences program must provide authorization for a criminal background check prior to registration and submit a physical assessment by a licensed medical professional prior to participating in clinical rotations. Students enrolled in the Patient Care Technician specialization are required to purchase their own malpractice insurance.

Extensive criminal background checks may be repeated after admission at the request of clinical facilities, and positive findings may prevent students from completing the clinical portion of the program, graduating, and participating in certification exams. Health requirements required for clinical courses are extensive and may total several hundred dollars. The costs of these health requirements are borne by the student.

The minimum passing grade required for Patient Care Technician (PCT) and Medical (MED) courses is a C. Any grade below a C is a failing grade. In order to pass a PCT course that consists of both didactic and clinical/laboratory portions, students must receive at least a C for the didactic portion of the course and a P for the clinical/laboratory portion. A failure in either the didactic or clinical/laboratory portion of a PCT course will result in a failing grade for the entire course. Therefore, only a PCT course in which students receive at least a C will satisfy the course requirements for the Patient Care Technician program.

To qualify for graduation, students enrolled in this specialization must pass all PCT and MED courses with a minimum grade of C as well as participate in the Certified Patient Care Technician/Assistant (CPCT/A) certification examination. Although certification is not required to work in most states, employers prefer to hire certified Patient Care Technicians.

The A.A.S., Health Sciences - Patient Care Technician program also requires students to obtain specific supplies, the cost of which totals approximately \$845.00. Detailed, itemized information describing the required supplies and listing typical prices for each such item is available at [BerkeleyStore.BerkeleyCollege.edu](http://BerkeleyStore.BerkeleyCollege.edu) and/or [BerkeleyCollege.edu/gainful-employment/aas\\_health\\_sciences\\_pct\\_statistics\\_sem.htm](http://BerkeleyCollege.edu/gainful-employment/aas_health_sciences_pct_statistics_sem.htm).

Any required traditional textbooks and/or some required supplies are included as part of the charge for tuition and fees and will be distributed to students. Please note, however, that students have the right to obtain traditional textbooks, and/or certain required items, from other sources. Students who demonstrate that they have obtained required item(s) from another source may return the items distributed by the College and receive a refund of the amount charged by the College for the specific item.

Under certain circumstances the need to take developmental College Skills courses may lengthen the time required to complete the student's program, and may result in increased costs to a student.

For more information about Berkeley College graduation rates, the median debt of students who completed programs, and other important disclosures, please visit [BerkeleyCollege.edu/gainful-employment/aas\\_health\\_sciences\\_pct\\_statistics\\_sem.htm](http://BerkeleyCollege.edu/gainful-employment/aas_health_sciences_pct_statistics_sem.htm).
