Academic start date

- September 8, 2026

An intense educational component

Students from participating educational institutions engage in a full course curriculum of either four or five courses. Although this is a specific program for students from participating partner schools, these students complete the same academic workload and fulfill the same academic requirements as all Berkeley College students. At the end of the session, participating institutions will receive notification of the grades obtained by their students. Education credit is granted solely by the students' home schools based on the results of their coursework at Berkeley College.

Internship option

Students also have the opportunity to participate in an internship with a company or organization in the United States. Berkeley College can assist students in finding and participating in an unpaid internship that can give them a valuable work experience in a professional environment.

CREDIT CONVERSION AND EQUIVALENCY

	Berkeley College Credits	ECTS credits
4 courses	12	24
5 courses	15	30

"I really enjoyed studying at Berkeley College, especially the opportunity to connect with other students and build relationships with professors. Being in the center of New York City opened the door to many opportunities, both academically and professionally. Today, I am working as an Executive Assistant to the CEO of a real estate company, where I continue to grow and apply the skills I developed during my time at Berkeley."
