More than $25 million
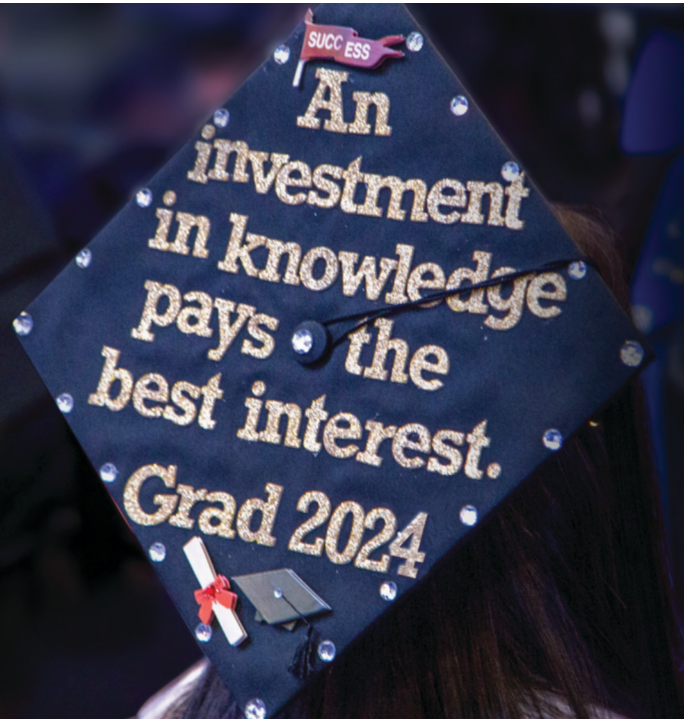

in Berkeley College institutional aid was provided to qualified students during the 2023-2024 award year.

An investment in knowledge pays the best interest. Grad 2024

See what scholarships you are eligible for today!

Alumni Legacy Scholarship

A scholarship up to 30% may be awarded to full-time students in a degree program who have had at least one parent, grandparent, or legal guardian graduate from Berkeley College. Students must maintain full-time, continuous, consecutive term enrollment, and maintain a cumulative Berkeley College GPA of 2.50 or higher at the end of each award year to retain their scholarship.

Berkeley College Grant

The amounts for this grant vary based on need and enrollment status. Students must maintain a cumulative Berkeley College GPA of 1.50 or higher at the end of each award year to retain their scholarship and maintain satisfactory academic progress.

Presidential Scholarship

Each campus awards one student a full tuition scholarship each academic year. All other eligible students may receive up to a 30% tuition scholarship. All awards are based on High School GPA. Students must maintain a full-time, continuous, consecutive term enrollment, a cumulative 3.50 GPA, and satisfactory academic progress. First-time students enrolled in a degree program must complete all admissions requirements by December 15, 2024 to be considered for this scholarship.

Honors Scholarship

2025 high school graduates who are accepted to the Honors Program may receive up to a half-tuition scholarship based on their high school GPA of 3.50 or higher and review of transcript by the Honors Committee. Students must meet all federal and state grant application deadlines each year and receive a valid Institutional Student Information Report (ISIR). (If a student fails to meet the state deadlines and is now not eligible where they would have ordinarily received the award, calculation of the honors award will be less that amount.)

Students must maintain full-time, continuous, consecutive term enrollment and maintain a cumulative Berkeley College GPA of 3.00 or higher at the end of each award year to retain their scholarship. Students who initially enroll in an Associate's degree program and continue into a Bachelor's degree program may continue to renew until completion of the Bachelor's degree. Deadline to apply is July 1, 2025.

Achievement Award

Incoming full-time and part-time students enrolled in a degree program with a 2.50 grade point average (GPA) or higher will be considered for an award. Full-time students can receive up to $8,000 per standard academic year, based on GPA and date of application submission or readmitting effective date. Part-time students can receive up to 15% off tuition per standard academic year based on GPA and credit load. Students must maintain cumulative Berkeley College GPA of 2.50 or higher at the time award renewal takes place, which generally occurs every two semesters.
