Connecting to the Virtual Lab

The virtual lab system is now compatible with most of the browser available, Internet Explorer 11, Microsoft Edge, Google Chrome, Safari, and FireFox.

1. To connect, go to myApps.BerkeleyCollege.edu and logon with your Berkeley College username and password.

2. After your credentials has been confirm you will see a new window with all the applications available for your account.
3. Select your application and then click Allow. Wait a minute or so and your application will open.
